She also said the budget will possibly be revised in the fall and again at mid-year when we have more information. Director Hudson asked why no General Funds were budgeted for Lynbrook Park and Mrs. Rodrigues answered that since we have installed the well we have not had to spend more than the assessment we receive from the County for Lynbrook Park. Director Torlakson stated that we are adding security cameras, etc. to the facilities and asked if funds for that were included in the budget. Mr. Long said that they were not included because we are just now getting proposals and don’t have information on how much it will cost but anticipates that the cost will be available for the final budget.
