**BOARD MEETING DATE: March 11, 2021**

**ITEM TITLE: Adopt Resolutions to Apply for Statewide Park Development and Community Revitalization Program Grant Funds (Prop 68) for Community Center Park, Lynbrook Park, and Anuta Park**

---

**RECOMMENDATION:**

That the Board of Directors adopt resolutions numbers 20/21-03, 20/21-04, 20/21-05 to apply for Statewide Park Development and Community Revitalization Program Grant Funds (Prop 68) for Community Center Park, Lynbrook Park, and Anuta Park.

**FISCAL IMPLICATIONS:**

The Board has approved funds for hiring consultants to provide information required to complete the grant application.

**BACKGROUND:**

California voters taxed themselves more than \$4.1 billion to improve park access when they approved Proposition 68, the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access for All Act of 2018. This is the second opportunity for the District to submit the three projects for funding.

Prop 68 does the following:

- Authorizes \$4.1 billion for state and local parks, natural resources protection, climate adaptation, water quality, and flood protection
- Recognizes the underinvestment in parks, trails and outdoor infrastructure in disadvantaged areas and communities
- Favors disadvantaged communities for certain projects
- Provides workforce education and training, contractor and job opportunities for disadvantaged communities
- Provides standards for outreach to minority, low-income and disabled populations, and tribal communities under section 8
- Requires annual audits

Application deadline is March 12, 2021.

Respectfully submitted,  
Doug Long, General Manager
