

NOTICE OF PUBLIC HEARING
RESOLUTION ADOPTING CERTAIN FINDINGS AND APPROVING AN ENERGY SERVICES
CONTRACT WITH SYSERCO ENERGY SOLUTIONS, INC. FOR ENERGY CONSERVATION-
RELATED IMPROVEMENTS TO DISTRICT FACILITIES

The Ambrose Recreation and Park District Board of Directors will hold a public hearing at its regular meeting of December 12, 2019, for the purposes of taking public comment, making certain findings, and considering a Resolution adopting the findings and approving an Energy Services Contract with Syserco Energy Solutions, Inc. for the construction of certain energy conservation-related improvements to District facilities in accordance with California Government Code Sections 4217.10 to 4217.18. The Board of Directors' findings shall be based on such testimony, evidence and documentation presented at the public hearing and must provide that the terms of the contract are in the best interests of the District and that funds for the construction of the energy conservation-related improvements will be from funding that otherwise would have been used for purchase of electrical, thermal or other energy required by the District in the absence of the energy conservation-related improvements.

The public hearing will be held at 6:30 p.m., or as soon thereafter as the matter may be heard, in the meeting room of the District Board of Directors, located at 3105 Willow Pass Road, Bay Point, California. The draft contract may be reviewed at the District's main office at the same address. Members of the public intending to provide comments to the Board must fill out a speaker card and present it to the Board's secretary before the commencement of the public hearing.

This public notice is given pursuant to Government Code Section 4217.12 by posting it at the District's main office and on the District website at least two weeks in advance of the date of the public hearing.
