ITEM TITLE: Consider Approving the Final 2020 – 2021 Operating Budget

RECOMMENDATION:

Recommend that the Board of Directors approve the Final 2020-2021 Operating Budget.

FISCAL IMPLICATIONS:

The proposed changes and/or reductions represent a balanced Final Operating Budget for FY 2020-2021.

BACKGROUND:

I do not receive the final figures for our Property Taxes and Parks Assessment income until the middle of July. The County collects these funds and disburses them to our accounts that are held in the County. (General Funds & Assessment Funds)

I was very cautious with the budget because of not knowing what the final Property Tax income would be. Property taxes are the majority of our operating income so I cannot finalize our budget until I received all the information. As it turns out we did very well last year and ended up receiving \$78,000 more in Property Taxes than in 2019-2020.

Because we were trying to be frugal this year in our spending, we were able to end in the black even with unexpected capital expenses. The final audit may change the final numbers somewhat, but it still remains that we were in the black again for the 7th year in a row.

Respectfully submitted,

Jessica Villa, Senior Accountant
