**BOARD MEETING DATE: February 10, 2022**

**ITEM TITLE: Consider Authorizing the General Manager to Execute an Agreement with Dave Bang Associates, Inc. of California for the Design, Purchase, and Installation of Playground Equipment at Lynbrook and Anuta Parks**

---

RECOMMENDATION:

It is recommended that the Board of Directors authorize the General Manager to execute an agreement with Dave Bang Associates, Inc. of California for the design, purchase, and installation of playground equipment at Lynbrook and Anuta Parks.

FISCAL IMPLICATIONS:

Lynbrook Park: \$255,450

The project scope includes demolition of existing playground apparatus; installation of new ADA compliant playground apparatus, a hydration station, and resilient surfacing (poured-in-place).

Anuta Park: \$269,944

The project scope includes demolition of existing playground apparatus, installation of new ADA compliant playground apparatus, a hydration station, and resilient surfacing (poured-in-place).

The projects are largely funded through the State of California Prop 68 Grant Funding. The allocation from the District's General Fund is \$64,450. Dave Bang Associates, Inc. of California is a member of a cooperative purchasing program for local government (e.g. Sourcewell, CMAS), and has conducted a competitive bidding process on the District's behalf.

BACKGROUND:

The Board of Directors approved each of the projects as part of the application process required by Prop 68. The process included community input at each site as well as Public Comment at the regular meeting of the Board.

After interviewing vendors staff is recommending Dave Bang Associates, Inc. of California based on their understanding of the Bay Point community and their understanding of the vision the public and Board have expressed for Anuta and Lynbrook parks.

Respectfully submitted,  
Doug Long, General Manager
