ITEM TITLE: Consider Approving Installation of Fence Outside Teen Center for Patio Area in the Amount of \$6,800

RECOMMENDATION:

It is recommended that the Board of Directors approve fencing for a patio area for teen on outer North wall of the Teen Center and Bay Point Youth Academy building.

FISCAL IMPLICATIONS

The project would be funded through Capital General Fund.

BACKGROUND:

The Ambrose Teen Center continue to be successful at creating a stable environment where youth can recreate, socialize and participate in leadership opportunities with their peers. The programs provide the opportunity to mentor, teach and expose our youth to meaningful activities and events. The teens have designed a patio area for participants to enjoy the outdoors in a designated area, work on projects, host BBQ events, team building exercises and a safe environment to socialize and relax as participants numbers grow.

This approximately 100' 6' high rod iron fence will be on the exterior north side of the Teen Center and Bay Point Youth Academy. It will have access from the side door of the Teen Center room and an exterior safety gate. This area will be landscaped and maintained by the Teens Center youth which will enhance their responsibility and ownership of the Ambrose Teen Center.

Respectfully submitted,
Lori Chalifoux, General Manager
